MEMORANDUM FOR: Chairman, Support Services Historical Board

SUBJECT: Quarterly Status Report

REFERENCE: Mr. [REDACTED] Memorandum of 4 August 1967

25X1A9a

1. The individuals in the Office of Training who are going to write monographs have been given instructions as to format, sources of information, and so forth. I have recently discovered that a number of documents relating to OTR history are in storage at the Vital Records Center. I am engaged at the present time in screening these and propose to bring significant items to the attention of the various writers.

2. Although no monographs have yet been finished I can now say that the historical effort is now getting started in earnest, and I fully expect that most of the writing will have been done by the end of the calendar year.
